You are invited to the first EWA workshop of 2022-23. We will set the stage for the coming season and provide a framework for understanding elderhood as a vital and purposeful time in your life.

EWA wants to introduce concepts from Jewish and Native American traditions through a combination of online and in-person instruction. By learning about the ancient practice of elderhood, participants forge a new understanding—what they have to offer is both needed and appreciated.

Welcome to EWA

We would like to welcome you to the Elder Wisdom Academy. We are starting our second year and very excited about connecting with you, growing relationships, and learning from ancient ways while building new understandings of elderhood.
